Public outreach

I write op-eds regularly. I have +30 articles published in the four main newspapers in Denmark; Berlingske, Politiken, Weekendavisen, and Jyllands-Posten. Host of the podcasts "Politik & Ungdom" (2016-2019) and "Akademisk Kvarter" (2022). Featured articles (full list and links on my website):

- "Debt to the People", written with Assistant Professor Andreas Wiedemann on his recent book, in the leading weekly Danish intellectual *Weekendavisen* (2023)
- "Societal progress becomes tangible when you get cancer as a 22-year old", on my cancer disease, treatment and reflections in *Berlingske Tidende* (2022)

Languages

- Danish, French and English (trilingual). Born and raised in the U.S., to a Danish father and a French mother.
- Software: R (advanced), \LaTeX (advanced), Stata (proficient) and Python (beginner)
